

Linguist offerors...Please see the revised RFP's for IRAQ (W911W4-04-R-0001), Afghanistan (W911W4-04-R-0006), GTMO (W911W4-04-R-0012 posting in the near future) and Exercise Support (W911W4-04-R-0007 posting later this month). The IRAQ RFP is a full and open competition, the three remaining RFP's are all 100% Small Business Set-Asides. All small business contracts are utilizing NAICS code 541930 Translation and Interpretation Services \$6 M. The RFP's herein presented represent what the Army intends to officially release later this month. Any further changes should be minor. Upon approval of the RFP's by the Government the draft will be removed and the official RFP will be posted and will specify the required response date. The Government anticipates a thirty day response time for the official RFP.

A separate section for questions and answers is also set forth on the webpage for your viewing.
